Music for Autism

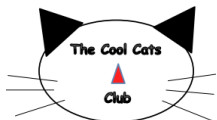

'Music for Autism' is a great opportunity for pupils to see, hear and take part in Classical Music concerts live in the school. It is run by John Lubbock and members of the Orchestra of St John.

The London Bridge Experience & Tombs

This was so much fun! I laughed all the way through especially in the tombs. It was pretty scary and the cast were amazing actors. We were right at the back and had so much fun laughing at everyone who was petrified!

Class 6 left London and headed south to Portsmouth on a beautiful sunny day. Chas, from the Tall Ship Trust gave us a warm welcome and showed us the Challenger sailing boat which will be taking us on our summer voyage! We had lunch on the boat then tried out the beds! We walked on deck and looked up at The Spinnaker Tower above our heads. We then went up The Spinnaker Tower and could see our boat below through the glass floor! The view of Portsmouth and The Isle of Wight was stunning! A great day out! Well done to Class 6 for all their questions and enthusiasm!

Class 6 in Portsmouth

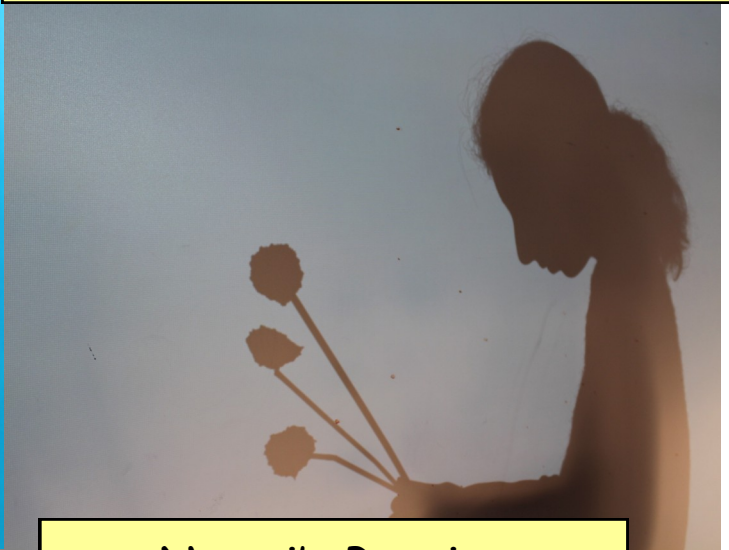

Oak Lodge Gallery

John's Street Lights

Kimberley's London Skyline

Naomi's Poppies

The Sixth Form Art Options Class have started a new topic on London Shadow Puppets. They are going to make an animation with The Museum of London and ArtBurst Artists...Watch this space!
