## Aviation Day for Class 6

Class 6 had an action-packed aviation day at North Greenwich! We took the Emirates cable car over the River Thames on a beautifully sunny day! Our 'Flight experience' workshop with Emirates taught us about baggage handling, safety in the air, how a jet engine works and we sat in economy class passenger seats. We even had a go at being pilots on the A380 and Boeing 777 flight simulators.

# Museum of London Part 2

The Artists from Artburst showed the students how to make shadow puppets this week. They also helped create a fantastic script for their animation.

## “Barnet Council fails to renew thousands of freedom passes”

Please read the below article on one of our families fight to challenge the cancellation of Freedom Passes for so many of our young people. Please sign the petition if you can!

[http://www.times-series.co.uk/news/14470774.Freedom\\_passes\\_\\_why\\_have\\_so\\_many\\_disabled\\_people\\_been\\_stripped\\_of\\_their\\_independence\\_/](http://www.times-series.co.uk/news/14470774.Freedom_passes__why_have_so_many_disabled_people_been_stripped_of_their_independence_/)

Reinstate disabled Freedom Passes  
Here's the full petition:

<http://www.barnetlabour.org.uk/>

Wow!

We were told by the leader of our work shop at St Pauls that all the British bishops had better look for new jobs. They are no longer needed!

We've been doing sensory painting outside, as the weather has been so lovely.

## Important Information

### Summer

As the summer weather seems to be rolling in (for now anyway) could you please make sure that your children have sun cream on, if they can, bring in a hat and have a water bottle. Classes always have water in them should students need it during the day and they don't have a bottle.

### Parent's Evening

Thank you to all the parents and carers who were able to attend this weeks Parent's evening. It was great to hear positive feedback from parents and teachers.

Teachers are always available on email or through the school office if you need to speak to them at other times.

# This is heaven

A big, big 'thank you to the restaurant branch **'Five Guys'** in the O2 at Greenwich who **donated drinks** to our students. It's a young people restaurant with the best food, the best drinks, the best music and the kindest possible staff! The atmosphere in your restaurant is indeed 'heaven' for our students and we at Oak Lodge School want to thank you for your support and generosity!
